Subject: RE: Hennis Discussions

Suzanne – One immediate thought I have on what is requested below is that I have no idea what the current effort on NPL listing all entails since neither I nor other members of the enforcement staff have been included in this effort. If there some write up of a strategy for that effort that would explain what it is so I could figure out how to dovetail an enforcement strategy with that effort?

Suzanne – Have you gotten feedback on the issue of sending information requests to Hennis?
